

PAO Is On the Move Again!

Personal Assistance Options was one of 94 floats to participate in the 2023 Midland Santa Parade on Saturday, November 18th.

For this year's theme, "Star of Wonder", we built a manger scene which included a live Mary, Joseph, and the three Wise Men. It was a cold but sunny day filled with lots of waves, Merry Christmas exchanges, and loads of candy tossed to excited children along the parade route. We are looking forward to next year and hoping to add more staff and consumers to the festivities.

God Bless and Happy Holidays from Personal Assistance Options!!
